PREMIUM DOG FOOD

Naturally Formulated with Added Vitamins & Minerals

This premium quality naturally formulated food contains an excellent balance of protein and energy designed to be fed to young, growing, and highly active dogs. Similar in formulation to the 24/20, but with 2% more protein that works well for the young and growing animal. This is an excellent choice to consider when switching from the 30-20 High Protein Plus / Active Dog & Puppy Formula.

Multi-meat Based Formula
