NO. 160 | SHOW CALF

FINISHER

Show Calf 160 contains 60% corn for a high energy ration designed to put gain on as rapidly and efficiently as possible.

GUARANTEED ANALYSIS

Crude Protein Min.11.50%
Crude Fat Min.3.00%
Crude Fiber Min.8.00%
Calcium Min.0.70%
Calcium Max.0.90%
Phosphorus Min.0.50%
Salt Min.0.25%
Salt Max.0.35%
Potassium Min.0.90%
Vitamin A Min.6,000 IU/lb
Vitamin E Min.25 IU/lb

- Crimped Corn promotes rapid weight gain and body conditioning.
- Cottonseed Hulls act as a rumen conditioner in show calves.
- Soybean Meal has an excellent amino acid profile which are the building blocks of protein and muscle tissue.
- Citrus Pulp has a high TDN (total digestible nutrients) of 74% which consequently is helpful to the finishing calf in need of a higher energy level in it's feed.
- Celtic Sea Salt enhances positive effects of nutrients.
- Diamond V® Yeast improves the rumen environment; therefore, supporting body condition and growth of the calf.
- Tasco™ Kelp stimulates hair growth and skin condition.
- Zinpro Availa® 4 organic trace minerals improve feed efficiency in the animal.
- Corda Salus® is a combination of essential oils that helps to improve the average daily gain.

Lyssy & Eckel Show Calf Feeds provide a constant supply of nutrients formulated to maximize growth & finish.

NO. 135 | SHOW CALF

NO. 150 | SHOW CALF

STARTER

Our Show Calf 115 is 15% corn formulated with low energy and high roughage preventing young calves from overeating grain while the rumen bacteria adjust from forages to grain diets. By adding quality palatable ingredients, cattle are able to slowly increase their intake.

GUARANTEED ANALYSIS

Crude Protein Min.	.12.00%
Crude Fat Min.	.3.00%
Crude Fiber Min.	.14.00%
Calcium Min.	.0.80%
Calcium Max.	.1.00%
Phosphorus Min.	.0.50%
Salt Min.	.0.40%
Salt Max.	.0.60%
Potassium Min.	.1.00%
Vitamin A Min.	8,000 IU/lb
Vitamin E Min.	.25 IU/lb

- Crimped Corn improves palatability and animal acceptance.
- Oats add energy to the diet with less potential for bloat and acidosis.
- Cottonseed Hulls improve the daily intake of ration.
- Crimped Barley compels the calf to start consuming the ration.
- Soybean Meal and Cottonseed Meal are both very palatable, increasing the intake of grain-based diets in young calves.
- Citrus Pulp drives intake at all stages of life giving the calf every opportunity to start eating.
- Celtic Sea Salt improves overall health of a starter calf under stress.
- Diamond V® Yeast ensures an optimum immune response correlating with consistent intake.
- Tasco™ Kelp stimulates immune response to encourage a healthy calf.
- Zinpro Availa® 4 organic trace minerals stimulate health of the calf.
- Corda Salus® is a combination of essential oils that accelerate immune function on starter calves.

STARTER/ GROWER

The Show Calf 125 contains 25% corn formulated for maximum microbial production in the rumen to continue maximizing growth. Added B-vitamins to enhance appetite pushing the show animal to continue to eat and grow.

GUARANTEED ANALYSIS

Crude Protein Min.	.11.50%
Crude Fat Min.	.3.00%
Crude Fiber Min.	.12.00%
Calcium Min.	.0.70%
Calcium Max.	.0.90%
Phosphorus Min.	.0.50%
Salt Min.	.0.25%
Salt Max.	.0.35%
Potassium Min.	.0.90%
Vitamin A Min.	.6,000 IU/lb
Vitamin E Min.	.25 IU/lb

- Crimped Corn is a highly digestible energy source making it readily available for the animals.
- Oats are a quality protein source ensuring the animal receives the nutrition it needs to continue growth.
- Cottonseed Hulls improve the texture of the ration promoting the animal to consume more.
- Crimped Barley is a quality source of protein promoting proper growth in the animal.
- Soybean Meal and Cottonseed Meal increase the protein for proper muscle development in the calf.
- Citrus Pulp in a highly digestible fiber source boosting rumen health when free range grazing is not available.
- Celtic Sea Salt allows for better utilization of the feed.
- Diamond V® Yeast promotes a balanced rumen environment aiding forage digestibility.
- Tasco™ Kelp maintains a healthy gut flora to support a growing calf.
- Zinpro Availa® 4 organic trace minerals increase the overall performance of the calf.
- Corda Salus® is a combination of essential oils that promote absorption of nutrients in the small intestine.

GROWER

Show Calf 135 is composed of 35% corn for moderate energy to develop the frame and muscle properly and help prepare the animal for a finishing ration.

GUARANTEED ANALYSIS

Crude Protein Min.	.11.50%
Crude Fat Min.	.3.50%
Crude Fiber Min.	.11.00%
Calcium Min.	.0.70%
Calcium Max.	.0.90%
Phosphorus Min.	.0.50%
Salt Min.	.0.50%
Salt Max.	.0.70%
Potassium Min.	.0.90%
Vitamin A Min.	.6,000 IU/lb
Vitamin E Min.	.25 IU/lb

- Crimped Corn provides a moderate amount of energy to start adding fat.
- Oats are highly digestible grain making it a more readily available source of nutrients.
- Cottonseed Hulls are roughage in the ration to encourage the calf to keep consuming feed.
- Soybean Meal is an excellent source of fiber and energy to develop your growing calf.
- Citrus Pulp assists in maintaining optimum rumen pH to keep the rumen stabilized while animal increases intake of grain.
- Celtic Sea Salt increases weight gain.
- Diamond V® Yeast improves weight gain in the animal.
- Tasco™ Kelp promotes the growth of a healthy productive animal.
- Zinpro Availa® 4 organic trace minerals increases the rate of gain.
- Corda Salus® is a combination of essential oils that increase dry matter intake.

GROWER/ FINISHER

Our first finisher, Show Calf 150, has 50% corn in the ration. This feed is formulated with balanced nutritional grains to fatten cattle rapidly.

GUARANTEED ANALYSIS

Crude Protein Min.	.11.50%
Crude Fat Min.	.3.00%
Crude Fiber Min.	.9.00%
Calcium Min.	.0.70%
Calcium Max.	.0.90%
Phosphorus Min.	.0.50%
Salt Min.	.0.25%
Salt Max.	.0.35%
Potassium Min.	.0.90%
Vitamin A Min.	.6,000 IU/lb
Vitamin E Min.	.25 IU/lb

- Crimped Corn is the best fattening grain because it is more consistent in nutrient content and energy availability.
- Oats are a quick source of energy to achieve the amount of fat needed to be show ready.
- Cottonseed Hulls is an effective source of roughage increasing consumption.
- Crimped Barley deposits fat more rapidly adding solid finish to the calf.
- Citrus Pulp increases energy without the risk of acidosis.
- Celtic Sea Salt increases nutritional intake of naturally occurring essential minerals.
- Diamond V® Yeast improves the mineral utilization improving the performance of the calf.
- Tasco™ Kelp provides greater support to animals that are under extreme stress of traveling, heat or competing.
- Zinpro Availa® 4 organic trace minerals minimizes effects of stress.
- Corda Salus® is a combination of essential oils that encourage more efficient weight gain.

Lysy & Eckel Show Calf Feeds provide a constant supply of nutrients formulated to maximize growth & finish.
