

VICTOR™

PREMIUM DOG FOOD

Naturally Formulated with Added Vitamins & Minerals

A unique product that stands by itself in the market as a performance dog food formulated with Glucosamine and Chondroitin for healthy joints. Most companies use these unique ingredients in a food marketed toward "Senior" dogs. Research shows that Glucosamine and Chondroitin fed to young active dogs works to support joint cartilage which will help maintain good joint health as dogs age.

- Multi-meat Based Formula
- 100% Corn, Wheat, Soy & Gluten Free
- Glucosamine & Chondroitin
- Small Stool Volume
- Chicken Fat
