# Stamina PRO FEEDS

Feed	Protein (%)	Fat (%)	Fiber (%)	Carb Content (%)	Digestible Energy (Mcal/lb)	Minimum Feeding Rate (1000lb BW)	Form
Stamina Pro EX	14.0	12.0	12.0	24.0	1.3	5 lb.	Extruded
Stamina Pro Low Carb Senior	14.0	10.0	23.0	7.0	1.3	8 lbs.	Pelleted
Stamina Pro Super Fiber	14.0	10.0	22.0	8.0	1.4	4 lbs.	Pelleted
Stamina Pro Training	13.0	6.0	14.0	22.0	1.3	4 lbs.	Pelleted
Stamina Pro Balancer	14.0	6.0	4.0	28.0	1.4	2 lbs.	Pelleted

**STAMINA PRO EX:** A high fat, extruded feed with high levels of Omega 3 fatty acids to help decrease inflammation and enhance performance/recovery. Ideal for horses that require high calorie intake for performance or rehab.

**STAMINA PRO LOW CARB SENIOR:** Pelleted feed with high calories, low sugar, low starches and high quality fiber sources to meet the needs of the senior horse. Highly palatable and easily digested. Suitable for older horses with chewing difficulties and carbohydrate sensitivities.

**STAMINA PRO SUPER FIBER:** Highly fortified no grain pelleted formula with low sugars and starches, designed for horses performing light to moderate exercise. Provides long term, sustainable, "calm" energy from fat and super fibers. Suitable for horses with carbohydrate sensitivities.

**STAMINA PRO TRAINING:** Pelleted feed with a higher amino acid complex to support the growing horse while they are under the stress of training and showing.

**STAMINA PRO BALANCER:** A low intake concentrated pellet, can be fed to performance horses with unfortified grains (e.g. oats), broodmares along with good quality forage, weanlings (especially those showing signs of developmental issues), or adult horses on a maintenance diet as the sole source of feed along with hay.

\*Carbohydrate content is based on NSC (non-structural carbohydrates) = Starch + Simple Sugars (ESC, ethanol soluble carbohydrates).

**STAMINA FEEDS CONTAIN:**

LE EDGE™, gut health package to decrease symptoms of leaky gut syndrome in horses while increasing digestion and absorption of nutrients.

100% Organic Selenium & 100% Organic Natural Vitamin E to support health and immune function.

100% Zinpro organic chelated trace minerals to support the overall health and wellbeing of horses.

Optimal amino acids for performance and recovery.
