

STAMINA

14/6 Senior

FOR SENIOR HORSES

Pelleted feed with NO least cost formulations enhancing the quality and consistency of the feed.
Backed by research with proven ingredients to benefit your horse.
“Cool Calories” derived from coconut meal and rice bran. Horses are calmer and more focused with energy to last.
Omeegas provided by flax have anti-inflammatory properties that may help manage airway inflammation and arthritis.
Chelated organic trace minerals that are built on a unique, patented molecule that consists of one metal ion bound to one amino acid ion. These are the most bioavailable trace minerals on the market, which means more of the minerals are absorbed by the animal to deliver their full benefit.
Sea salt from sea beds in Utah. Contains naturally occurring minerals, replaces lost electrolytes, absorbs toxins & exports them out of body.
Seaweed kelp is a second generation prebiotic fiber promotes growth of beneficial bacteria in the GI tract. Supports immune function, helps reduce effects of stress, promotes healthy skin & shiny coats and contributes to the overall well-being of a horse.
Yucca assists in sustaining the stamina needed for strenuous activity, reduces ammonia and other noxious gases along with urea nitrogen levels, boosts immune, has anti-inflammatory properties and can be beneficial in prevention of colic.
Added biotin increases hoof condition along with growth.
Multi component inactivated yeast product that consists of yeast mannan, mannan oligosaccharides, and aspergillus oryzae that have been shown to decrease the population of pathogenic bacteria such as E.Coli, Salmonella, Proteus, Klebsiella & Clostridium and increase gut health.
Vitamin B Complex aids in the function of a healthy horse.
Guaranteed levels of Vitamin A, D & E essential for immune health, reproduction and skeletal growth.

FEEDING INSTRUCTIONS: This feed is to be fed to horses as recommended in the table receiving hay and or pasture. Always monitor and adjust feed amount according to your animal's body condition and workload.

INGREDIENTS: Dehydrated alfalfa leaf meal, stabilized rice bran, wheat middlings, ground barley, beet pulp, soybean oil, dehulled soybean meal, cane molasses, coconut meal, flaxseed, calcium carbonate, dicalcium phosphate, monocalcium phosphate, mannan oligosaccharides, beta glucans, hemicellulose extract, carvacrol, autolyzed brewers dried yeast, extracted citric acid presscake, active dry yeast, brewers dried yeast, saccharomyces cerevisiae fermentation extract, dried aspergillus oryzae fermentation extract, dried bacillus licheniformis fermentation extract, dried bacillus subtilis fermentation extract, sea salt, dehydrated seaweed meal, dried marine algae, yucca schidegera, fenugreek, vitamin A supplement, vitamin E supplement, vitamin D3 supplement, hemicellulose extract, vitamin B12 supplement, d-biotin, L-lysine, DL-methionine, riboflavin supplement, niacin supplement, d-calcium pantothenate, menadione sodium bisulfite complex, folic acid, choline chloride, thiamine mononitrate, zinc sulfate, zinc amino acid complex, manganese sulfate, manganese amino acid complex, copper sulfate, copper amino acid complex, ferrous sulfate, cobalt sulfate, cobalt glucoheptonate, ethylenediamine dihydriodide, selenium yeast, sodium selenite, and artificial flavors.

GUARANTEED ANALYSIS

Crude Protein Min.	14.00%
Lysine Min.	0.80%
Methionine Min.	0.35%
Crude Fat Min.	6.00%
Crude Fiber Min.	15.00%
Calcium Min.	1.10%
Calcium Max.	1.30%
Phosphorus Min.	0.70%
